The National Anthems

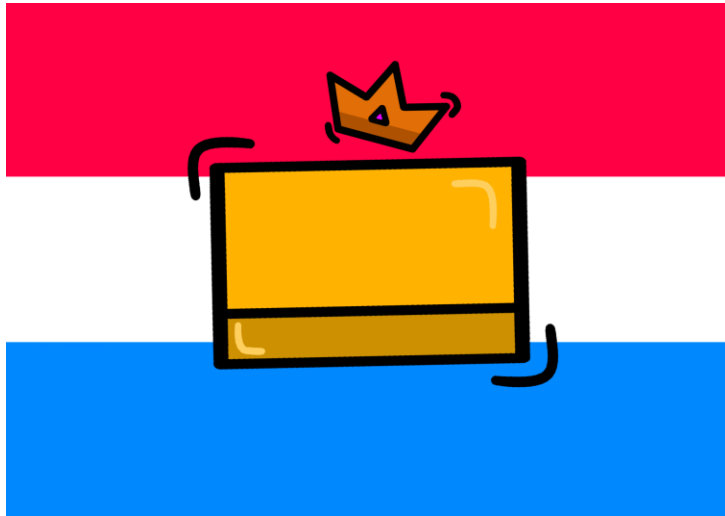

The National Anthem of Set B and Set C

In the realm of talk and broadcast,
A revolution sparked, unsurpassed.
A co-host revolution, bold and bright,
A symphony of voices, a beacon of light.
Gather 'round, let the airwaves sing, as co-hosts unite,
No longer solo, a dynamic fusion,
In the echo of change, a co-host revolution.
It's the dawn of a co-host revolution.
From morning shows to the late-night hour,
They share the stage, their combined power.
A dialogue of depth, ideas in evolution,
A tandem of minds, a shared institution,
Celebrating the co-host revolution.
Celebrating the co-host revolution.
there's a profound solution, All the time
Embodied in the co-host revolution

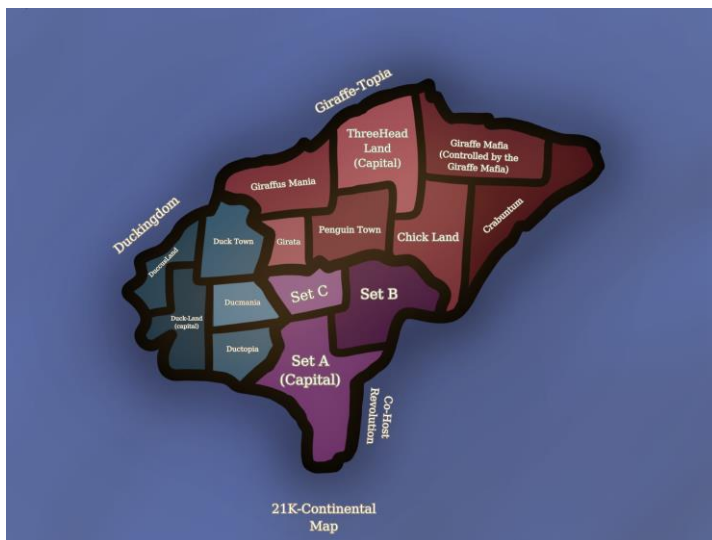

The National Anthem of Set A

Co Host Revolution, our cherished motherland, where diversity and resilience go hand in hand. From mountains to seas, and fields of golden grain, our spirits soar high, in unity's refrain. Through the trials of history, our resolve stands tall, as we forge a bright future, embracing one and all. In the heart of our nation, let justice be our guide, In Co Host Revolution, may our spirit never subside.
